QUANTITIES AND CARRY OVER ITEMS: Your child may bring home some items at the end of Term 4 to carry over and re-use next year.

Please note these items are included in the Stationery Pack online and all quantities listed are the required quantities for next year. If you wish to use any items from this year, leave the Optional box ticked Optional and adjust the quantities. Eg. If you have a sharpener left over at the end of this year and it is suitable for next year, please reduce the quantity by 1, ensuring the quantity ordered adds up to the total amount required for next year. If you do not need the item at all, please untick the Optional box. Optional

If your child has not brought home any items at the end of the year, you will need to purchase the complete pack – do not adjust any quantities and please tick the Optional boxes Optional in the 'carry over from previous year' section to ensure you order the complete pack.

These are all of the items your child will need for Year 3. Your Year 3 teachers have carefully chosen each item and particular brand of stationery they prefer to use and will require for the year ahead. To ensure you have provided your child with the correct stationery for next year, please follow the instructions on the previous page to purchase online through COS.

COS is a 100% Australian Family Owned and Operated school supplier. We've selected the list of items your child needs to start the year and worked with COS so you can order everything you need in one go and it will be delivered directly to your home before school starts.

The items listed on the previous page have been selected as being required for Year 3 in 2025.
To ensure delivery **prior to Term 1 2025**, please place your order **before SUNDAY 05 January 2025**.
