

PREP 2021

Out of Catchment Enrolment Information

Families outside the enrolment boundary may submit an application for enrolment but there is no guarantee that a place will be offered.

From 1 January 2016 Benowa State School has introduced an application fee of \$100 (one child) and/or \$130 (a family) for out of catchment applications. This fee is payable on submitting an enrolment form and will be added as a credit to your account for use to pay school fees and excursions once your child has started at the school.

Conditions of Refunding:

- If the school decides not to uphold your application for enrolment by Friday 20 November 2020, we will refund your deposit in full.
- If the school has agreed to offer a place for your child, and you withdraw your application, your Application Fee **will not** be refunded.

Places for students outside the enrolment boundary are managed to ensure an even spread of students across the Prep year and to ensure the total enrolment does not exceed the school's accommodation capacity for Prep.
