STUDENT UNIFORM AND DRESS CODE - OPERATING PRINCIPLES

1. The school uniform, as outlined in this policy document and pictured below, is to be worn at all times at school, when travelling to and from school, and on school based activities and excursions.
2. An exemption from wearing the school uniform may be granted in cases of genuine conscientious objection, i.e. bona fide religious or cultural grounds. In such cases, the parent or caregiver is to apply in writing to the Principal for an exemption, stating the reason for the genuine conscientious objection.
3. Any student who represents the school on an excursion or as part of a sporting, social or cultural event must wear the school uniform. This also applies to students engaging in school activities out of school hours. Students participating in official school photographs must also wear the school uniform.
4. Flat soled, black lace up shoes with Benowa State School lettering socks must be worn with either uniform. Boots and shoes with platform soles are not acceptable. Laces must be black and firmly tied above the shoe. (Parents/caregivers may choose to purchase a black leather jogger which can be worn with either uniform.) A Velcro closure instead of laces is permissible.
5. The bottle green zippered school jacket, tracksuit pants or ribbed tights are to be worn with either uniform during cold weather. Any other coloured jumpers, jackets, coats, long pants, etc are not permitted. No visible undershirts may be worn.
6. Make-up, nail polish (excepting clear), face glitter, face paint, tattoos and inappropriate colouring of the hair, including brightly coloured streaks, are not permitted.
7. For safety reasons, the only jewellery items permitted are a wristwatch, one pair of sleepers or studs for pierced ears and/or an item of religious or cultural significance. The parent needs to apply in writing, explaining the religious or cultural significance of the item. The item is to be worn underneath the shirt.
8. Should a student who does not have an approved exemption be repeatedly out of uniform, then the parent is requested to provide an explanation, either in writing or in person. The school will contact parents of students who are repeatedly out of uniform and without a note of satisfactory explanation.
9. The school will maintain a minimal supply of uniform items and black shoes to loan students who present without the full uniform and do not have an exemption, as well as those students whose families are unable to provide the school uniform due to financial disadvantage and/or transience.
10. A student's non-compliance with the school's uniform and dress code requirements will not be grounds for suspension, exclusion or cancellation of enrolment. This includes:
 - a. Prevention of student from attending, or participating in, an activity for which the student is representing the school.
 - b. Prevention of student from attending or participating in a school activity that is not an essential school educational requirement.
11. The Benowa State School uniform consists of:
