A unified voice

For our School community

Our P&C is about families, the School and our community working in partnership to ensure positive educational, emotional and social outcomes for our children.

We are a group of everyday parents, just like you. We are passionate about our school and want to ensure our children grow and learn in a supportive, comfortable and rewarding environment.

Being a member of our P&C Association is the perfect way to engage, enjoy, lend a hand and be a part of a truly amazing team of people and at the same time make a valuable contribution to our wonderful School, its teachers and our students.

We embrace our core values that unite us as a P&C: cultural diversity, respect and inclusion, creativity and imagination, quality resources and facilities and positive, transparent communication.

We are proud to be the voice for our school community.

Get involved

You can make a difference

This is how P&C members can make a difference:

- consult on School policy
- financial planning and budgeting
- volunteering in our Tuckshop
- assisting with school functions and organising P&C events
- applying for grants
- fundraising to provide infrastructure and resources
- establishing beneficial and supportive partnerships with local businesses
- building and fostering school community
- making the school a happier and more connected place for our families
- being a member of a valued and supportive community

Our P&C

Providing essential services to our School

An integral part of the P&C operations is the Tuckshop and the Uniform Shop. As the core businesses of the P&C, these essential services are ingrained into the school culture and community.

Tuckshop

Aligned with healthy eating initiatives including the Queensland Government's Smart Choices program and as a member of the Queensland Association of School Tuckshops (QAST), our Tuckshop not only offers a nutritious and balanced menu for our students but also provides catering services for the many visitors and special events held at the the School.

Our Tuckshop is proudly the central hub of the school, a place of community and gathering (and delicious food!) and is supported by a team of amazing volunteers and super hero staff!

Uniform Shop

The Uniform Shop is another valuable asset to our school and provides our students with affordable, quality uniforms with all profits going back into our school. Our uniform shop also co-ordinates the annual booklists for each year level and is yet another aspect to our fundraising efforts throughout the Year.

The facts

It's a win, win for everyone

- Working with a P&C can provide you with valuable work experience and new skills.
- Volunteering improves your health and wellbeing.
- Joining our P&C creates life-long, like-minded friends.
- Providing resources and equipment to the students and teachers creates a rich and fulfilling learning environment.

We'd love a hand

Can you volunteer?

The Benowa State School is a wonderful place to get involved. By becoming a Volunteer, you help our school and community, make new friends, learn new skills, enjoy new social and cultural experiences and best of all, you support your children in their school environment.

You can volunteer as little or as much time as you like, it's up to you! If you can lend a hand, simply return this volunteer form to the Tuckshop.

I am interested in volunteering:

- during school hours before or after school
 for things I can do at home

I would like to:

- volunteer for an executive committee role
 volunteer for a subcommittee role
 attend meetings (once a month)
 help out at events
 volunteer at Tuckshop

I have a special area of interest or skill set that may be useful:
